

## FALL 2011 INTRAMURAL SOCCER

Upper Makefield-Newtown Soccer Club

Registration for the Fall 2011 Intramural Season is now open. Please register online at [umnsc.org](http://umnsc.org). The 2011 IM registration fee is \$120 per player, which covers weekly IM games and practices (of which several will be lead by our Council Rock North Varsity Soccer trainers) and the team uniform. This year the UMNSC is offering a large family discounted registration fee for families with 3 or more children registered in the IM program if they register by June 30th. Registration for the third plus child will be \$60.

All families should register by June 30, 2011 to avoid a \$25 late fee per child. No exceptions.

During the registration process, each family will be asked to select their volunteer commitment for the UMNSC. The UMNSC is a small but ambitious club. Our goal is to offer the best training for our players in a fun environment that encourages a love of the game. We invest our resources in trainers to optimize practices, training courses and training tools to assist our volunteer coaches, and equipment for field improvement. This year the club hired Gavin Flannigan, Director of Coaching and Player Development, to develop curriculum for our IM coaches, which offer suggestions and ideas on how to run practices to develop and improve age-appropriate skills.

We depend on our family volunteers to manage many of our club responsibilities. Parents/ guardians may choose from the following commitments: coach, assistant coach, team manager, age group coordinator, field maintenance, fund-raising, fan gear sales, photo coordinator, awards contact, and uniform contact. Descriptions of these commitments can be found on page two and on the website.

The UMNSC understands that some families are not able to volunteer their time. In this case, we offer a volunteer-opt-out option. After reading the descriptions, if you believe your family will not be able to support the club through one of these roles, please select the opt-out option. We need every family to support the club. Please choose carefully as the UMNSC Board of Directors, coaches, children and parents are all counting on everyone's help.

In an attempt to raise money for the club, the UMNSC is offering team sponsorships (see page 2 for details) and will be selling fan gear items. UMNSC water bottles, travel mugs, blankets, sweatshirts and baseball hats may be purchased during the registration process. Several options for pick-up are available (see p. 2).

Lastly, if you are registering your child for Intramural soccer, we ask that you set aside September 24<sup>th</sup> on your calendar. On 9/24, we have scheduled our Intramural Photo Day.

Don't forget to register for the UMNSC Summer Camp!

Session 1: 4-Day Camp, July 5-8, 9 am to 12 noon, Cost \$100.

Session 2: 5-Day Camp, July 18-22, 9 am to 12 noon, Cost \$120.

Register for camp online at [UMNSC.org](http://UMNSC.org) by May 31, 2011.
